

## Membership Ideas Central Region

School registration was a great time to approach families with our new concept for a one time donation which included one membership. Also, each family within the building was given a folder that contained a Brookview PTA Directory, State PTA pamphlets and PTA association information. Brookview Elementary PTA, Indianapolis

The Membership Chair is present at the Senior College Night. Our seniors must be a PTSA Member to be eligible for our PTA Council Scholarships and another scholarship offered by one of the middle schools. Warren Central High School PTSA

During the Back to school Nights the PTA President accompanied the school Principal and Dean to each classroom and gave a brief presentation on PTA. Most of all it was stated that PTA was an organization that consisted of all parents and teachers interested in the future of our children and that we wanted parents to join and to feel a part of the organization in whatever way they could. Moorhead Elementary PTA, Indianapolis

We sent the entire Winchester staff a letter inviting them to join and telling them a little of what we as their PTA will do for them and the school to help our children. Winchester Village Elementary PTA, Indianapolis

The PTSA purchased and planted bulbs at the front entrance to the school. Each bulb represents a PTSA member. Stonybrook Middle School PTSA, Indianapolis
